## DISPATCH

SECRET

Chief, Task Force 4

Chief of Station, JMWAVE

Operational/PROSEC/INTELS

Subject: [REDACTED]

ACTION REQUIRED: None; FYI

1. Subject was removed from CAC on 3 September 1962 and taken to a safe site where he was debriefed for information. The purpose of the debriefing was to ascertain the subject's activities in Cuba and determine if he had any relationships with the G-2 or any other Security organization.

2. During the course of the debriefing the subject appeared to be willing to cooperate and there were no indications of an attempt at deception. However, it is felt that the subject is a sharp operator, an opportunist and an individual motivated by his wife. He is very verbose, loud and attempts to hold the floor at all times.

3. CELLANA claims that he had no relationship with the Cuban G-2, that he knew Fausto VALDEZ, Chief of the G-2, Manuel FINEIRO, Deputy Chief of the G-2, but that he never conducted any business with them. He stated that he knew many G-2 agents by sight but never knew their names. He is of the opinion that all members of the G-2 are Communists and individuals of very low caliber.

4. Subject was granted asylum in the Uruguayan Embassy on 06/06 April 1962, which was obtained through the efforts of [Fernando RODRIGUEZ, leader of the C-4 officers Union] who was the Uruguayan Ambassador. According to Subject he had to seek asylum in the Uruguayan Embassy because he was in danger of being picked up by the Cuban Security Services. He claims that in November 1961 he was engaged in the transportation of material and personnel from Habana to the "Segundo frente" in the Lucayan mountains, in the Province of Santa Clara. At that time he was contacting with Captain (fnw) SALAS, Lito BALASADA, "Lenito," "itico," "Joy," "GUTIERREZ" Merayo, [Lito FINEIRO], Captain Fausto VALDEZ and [Fernando PARALIA]. According to Subject, an individual named "Gutierrez" was arrested in March 1962 and during the course of his interrogation (continued).

by the Security Service. "Frontier" documents were also  
submitted to the subject. In view of the above, the subject had  
no further information to provide.

6. "FRONTIER" admitted that during the last year he was  
engaged in negotiations for the purchase of arms from Cuban  
officers. That during the month of September, 1961, he was  
in Los Angeles, California where he traveled to the home of  
purchasing arms from a Cuban officer, "FRONTIER", who was  
in Los Angeles. He said that he did not purchase the arms from  
"FRONTIER" but that he did make arrangements for the arms to be  
delivered to other elements from "FRONTIER". It is noted that  
the subject was engaged in other criminal activities which  
he did not mention. This section is based on the information  
provided in the attached Personal History statement regarding  
his travel and the short term jobs he held in the past.

7. Subject also admitted that he was arrested on 26 April  
1961 by the OSI because of his connection with a group engaged  
in the purchase and sale of U.S. currency to the Cuban agent.  
According to Subject he was a friend of RAMON of "FRONTIER"  
who was engaged in the purchase of U.S. currency, which he  
endeavored to take out of the country. One of "FRONTIER"'s associates,  
Vicente Benito "MUEL" Hernandez and Juan "RODRIGUEZ" Serrano,  
were arrested by the Security Services. Allegedly "MUEL" and  
RODRIGUEZ informed the Security Services that the subject knew  
the whereabouts of RAMON. Subject was arrested and asked to  
provide the address of RAMON. Subject stated that he knew RAMON  
and after being held for four days he was let out by "MUEL" and  
RODRIGUEZ, who were released a few days before the release of  
Subject.

8. Subject denies any association with the Communist Party,  
C-2 or any other Security Service. He claims to be a  
Communist and is willing to do anything in his power to combat  
Communism and liberate Cuba. Subject is an informant of the "FRONTIER"  
interest and was returned to OSI for information. "FRONTIER"  
does not contemplate any future contact with the subject.

9. JMWAVE traces reflect the following information on some  
of the individuals mentioned in this dispatch:

a. Eloy GUTIERREZ - Probably identical with
